

BIOMASS/BIOFUEL

DISCUSSION

Laura Belicka, Moderator
Melba Horton, Rapporteur

OPPORTUNITIES

- **Minimize carbon footprint**
- **Utilization of natural resources**

- **Help develop jet fuel industry**
- **Technological advancements**
- **Networking**

CHALLENGES

- **Culture contamination**
- **Degradation of feedstocks**
- **Cost of production**

DEVELOPMENTS IN BIOFUEL INDUSTRY

– Underutilization of Biodiesel in US markets

– Improve marketing and promotion strategies on the benefits of biofuel

– Profitable value on biomass production
